The top navigation bar includes links for Code, Issues, Pull requests (active), Agents, Actions, Projects, Wiki, Security and quality, Insights, and Settings. A search bar is present with the text "Type / to search".

A notification banner at the top states: "Label issues and pull requests for new contributors. Now, GitHub will help potential first-time contributors [discover issues](#) labeled with [good first issue](#)." A "Dismiss" link is on the right.

Below the banner, there's a filter section with "Filters" and a search query "is:pr is:closed". It shows "Labels 9" and "Milestones 0". A green button "New pull request" is on the right.

A "Clear current search query, filters, and sorts" link is present.

The main content area displays a list of pull requests, filtered to show 6 closed items. The list includes:
